Launch

Monday 9-6 pm
Tuesday Closed
Wed-Sunday 9-Sunset

Dear Members,

Holy smoke! What a great 4th of July! For those who participated in the festivities on the 3rd, lighted boat parade, S'mores, downstairs bar... We had a wonderful time! (I'm looking for a name for the downstairs bar. What do you all think about the Bilge?) I want to keep the fun going on Friday and Saturday nights, weather cooperating.

Speaking of entertainment, we have Jack Dolan and his band "Rare Ould Times" performing this Sunday from 3-5 pm. Due to COVID seating restrictions, this is members only event and reservations are required. My vision is to position the band on the pad under the hoist. We'll set up the Adirondacks and picnic tables for social distancing and have a server downstairs. We'll offer a "concert" menu with beer, seltzer, and wine.

Due to COVID requirements—and yes, I am getting tired of saying that—we are working hard to accomplish a few things:

1. Keep members safe.
2. Provide entertainment to the membership.
3. Be in compliance with Health Dept regulations.

To accomplish those GOALS, we need your help.

- Practice social distancing and wear a mask while not seated at a table.
- Make a reservation in advance for Sunday.
- Be patient.
- Have fun!

Next week we will host a DOCK-IN movie, utilizing the boat yard, docks, bulkhead parking, and the BILGE, we will show “Morning Light” (PG). This is an inspiring movie about youth sailing and adventure. I am trying to get a zoom call with two of the movies stars Charlie Enright and Robbie Haines prior to the movie. We will have S’mores and the movie will start right after Colors!

Finally, come on down to the club to eat, drink and be merry!

We are adjusting the seating times to:
5pm-7:15 pm and 7:30pm-9:00pm.

Make reservations and come down to enjoy the Club, a bite of food, and a great drink!

Thanks. As always, please feel free to call or email with any suggestions or questions.

Jay

Falmouth Yacht Club July 3rd Lighted Boat Parade Review

WOW is all I can say. For the first time ever it was awesome.

We had kids making S'mores, parents drinking and socializing, Big Yachts honking their horns.

Crazy stories about UFO's attracted to the lights.

And don't forget the mad bugler!

Mark your calendars for next

year! July 3, 2021

SONAR Scores Week 1

Challenger 1 1 1 3
Last Call 6 2 2 10
Nimble 4 3 3 10
Malestrom 3 4 4 11
Ping 2 6 5 13
Easy 5 5 7 17

Frequently asked Questions.

**I am a member that looks a bit young, do I need to bring my photo ID?
YES! Besides our amazing view our liquor license is the most
valuable asset we own!**

I am an individual member but I have a significant other. Can I bring that person to the Club as a guest?

Yes. With our seating limited by Covid guidelines, our current policy is to limit guests to those who live with or who are staying with members in their homes.

What is happening with food minimums?

Minimums have been waived for this year.

Do I need to make a reservation?

YES! But our amazing dining room manager Susan will do her best to get a spot for you!

Can I reserve a specific table?

Unfortunately, not at this time.

Can I get a drink downstairs on the Adirondacks?

Of course! We are working on service downstairs for appetizers and drinks.

Do I need to sign the waiver?

Yes. You may sign it at the Club or online.

Are face masks required?

Face masks are mandatory when you come into the building and when away from your seat. Yes, even while going to the head! They protect you and other members and staff.

Do I need to order food to have a cocktail?

Our COVID liquor license requires a patron to order food when ordering drinks.

Do I have to bring my own beach chair to the beach?

Unfortunately, yes, the time and chemicals we need to properly sanitize the chairs simply cannot be done on the beach.
